FOCUS PULLER, DIT, CAMERA OPERATOR

PROFESSIONAL SUMMARY

I'm creative, self-motivated, determined and hard working. I am always interested in meeting like-minded individuals who focus on positive things and who are willing to come together with others, share ideas, work on new projects and work together to see visions become reality. I enjoy taking on new challenges and I seek out new opportunities that can further my level of experience and allow me to network with and learn from people to advance my quality of life. I am enthusiastic in Photography and Cinematography. Also I like to do the Ariel photography and videography.

PROFESSIONAL HIGHLIGHTS AND EXPERIENCES

- Familiar with the production process of traditional and film / television.
